Who, due being by see day wown, go goth dopose nod ways.

At approximately 1109% forwards 22, 1965--I was standing on the cornor of

B. 10th and Fatton Street uniting for truffic to go by when I can a equad

car stop in front of 46% B. 10th about 50 feet from where I was estanding.

I can a young white non walk up to the squad can opposite the driver's

cide, lean over a put his erms on the door of the car for a few seconds,

then straighten up and step back from the car two or three foct. At this

point the officer got out of the squad car and started around in front of the

chot the officer and the officer fell to the prevenent. I screened and the

nan ran was on B. 10th across Fatton Street and won to faight.
